ONLINE SCHOOL	CRIMSON GLOBAL ACADEMY	Other Online Schools
 <b>SMALL, LIVE CLASSES</b>	Our classes have a maximum of 15 students to encourage interaction. 	With too many students, there is no interaction with student and teacher. 
 <b>INTERNATIONAL CURRICULUM</b>	We provide International GCSE, A-Levels, US College APs and US High School Diploma for students aged 12-18. 	Limited access to different curricula. 
 <b>EXPERIENCED TEACHERS</b>	We have over 75 teachers from across the world. 	Less access to subject specialists locally and around the world. 
 <b>ENRICHED EXTRA-CURRICULARS</b>	We provide teacher-led clubs, activities, leadership positions as well as internships with companies like Uber and KPMG. 	Limited to basic / traditional ECLs. 
 <b>LEADING LEARNING TECHNOLOGY</b>	We use the custom-built Crimson Classroom for maximum engagement as well as the best reporting tools to ensure uninterrupted learning. 	Uses existing video conferencing technologies. 
 <b>TOP EXAM RESULTS</b>	88% of our students scored an A in their A-level exams, 44% scored a 5 in the AP exams and 45% of them are studying at a higher level than their age. 	Most students study to their age, not ability. 
 <b>DIVERSE GLOBAL CLASSMATES</b>	We have over 550 students from more than 25 countries. 	Limited to the local area. 
 <b>UNIVERSITY ADMISSIONS SUPPORT</b>	CGA is powered by Crimson Education, which has helped thousands of students secure admission to the world's top ranked universities. 	Basic / no admissions counselling provided by the school.
